# AutoTrust Warranty

The older the vehicle is, the higher the risk of mechanical or electrical failure. Repairs can be costly so it could make sense to take out an AutoTrust Warranty to cover your period of ownership.

An average of £365\* is paid out on each warranty repair and there is no limit to the number of repairs you can claim for up to the value of your vehicle on an AutoTrust Warranty.

# The hidden cost of repairs

A modern car is an extremely reliable machine. But it is also an extremely complex one, with thousands of sophisticated moving parts. This means that, should anything go wrong, the cost of repairs could come as an unpleasant surprise.

In fact, when labour charges are added, even the simplest problem could land you with a considerable bill.

*Source:* Figures calculated from claims submitted in 2015 across a range of vehicles. Average repair costs will depend on the vehicle make, model and specification.

Terms and conditions apply. For full details of cover please refer to the warranty handbook.

# AutoTrust Assistance

In the unlikely event that your car breaks down it's good to know that someone will come out to help.

Our Motor Warranty Assistance package eases the inconvenience and discomfort of a breakdown by offering comprehensive cover 24 hours a day, every day of the year.

AutoTrust Assistance covers the vehicle, so anyone who is driving the car is covered.

Roadside Assistance	Response and transfer of vehicle, caravan or trailer plus five passengers to the nearest garage
Recovery	Transportation to home address, or journey destination
Home Start	Response at home or within one mile, or transfer for repair to the nearest garage
Accident	Assistance in the event of a road accident and transportation to a local nominated address
Message Service	Two messages to home and office
Puncture Cover	Cover provided in the event of a puncture
Channel Islands/ European Recovery	Provides recovery of an immobilised vehicle (including a caravan or trailer which was on tow at the time) and up to a maximum of five people to the nearest garage able to undertake the repair. If this is not possible at the time, you will be transported to your home or your original destination

# AutoTrust MOT Test Cover

If your vehicle fails to pass its next MOT test due to a failure of any part listed on a VT30 (MOT Test Failure Form), optional MOT Test Cover will pay up to **£500** including VAT per MOT test to cover the cost of repair.

## Cover includes:

- All lighting equipment
- Steering – manual and power steering units, drag links, track rod ends
- Suspension – shock absorbers, springs, wishbones, swivel joints, mountings, sub-frames and wheel bearings
- Braking system – master cylinder, wheel cylinders, callipers, discs/drums, load compensator, ABS modulator/sensors/computers and brake pipes, hoses and cables
- Seat belts – mountings, belts, retractors and buckles

## Important

All other components are excluded from the cover provided by this MOT Test Cover.
